

## Automatic Bank Draft

Automatic Bank Draft will save you time, postage, check costs and trips to our office. In addition, you will have the security of knowing that your bill will always be paid on time – even when you are away from home.

### How does the Automatic Bank work?

Approximately 15 days before your payment is due, you will receive a statement showing the amount of your bill and the payment due date. The amount of your bill will automatically be deducted from your bank account on the date indicated. You will have sufficient time to be sure the money is available in your account.

### Can I stop paying my bills by automatic draft whenever I choose?

You can terminate the automatic draft payment by calling 800-372-7612 and cancelling the service.
